

**2010 Southington North Baseball All-Star Tournament Team
Commitment Form**

The Southington North Baseball All-Star Tournament teams require a significant commitment from both the player and the player's family. These requirements are outlined below. Reading and signing this form and submitting it to either your regular season manager or the Player Agent by June 1, 2010 is required in order for the player to be considered. Please submit a separate form for each player.

1. The player is expected to be available almost every day from June 15, 2010 through August 1, 2010. If there are more than 3 days over this time period that the player will not be available due to vacations or other commitments, the time must be reported here before the player selection takes place.
Known dates player will be unavailable: _____

Please note that if there are more than 3 days that the player will not be available during the above time period, that player will not be eligible to be part of the top 9 players voted on by the managers during the selection process (see the 2010 All-Star FAQ document or see a Board of Directors member for details). The player will be eligible to be part of the secondary pool from which the manager fills the team. Deliberate misrepresentation of this information can result in sanctions up to and including removal from the team.

2. All All-Star families are expected to work in the concession stand multiple times during the 9/10 District 5 Tournament and the 11/12 Bator Tournament hosted by Southington North between the above dates. Refusal to do so can result in sanctions up to and including removal from the team.
3. Families of members of the 9/10 District All-Star team are expected to participate in field preparation and maintenance and/or Tournament Director duties for all games played by all teams at Southington North's field at Memorial Park during the 9/10 Tournament. Families of members of the 11/12 District All-Star team are expected to do the same for the Bator Tournament.

We, the player and parent(s) or guardian(s) agree to these commitment requirements and wish to be considered to be selected to play on an All-Star team for the 2010 season. We have read and understand the All-Star Frequently Asked Questions document (available for viewing at www.southingtonnorthbaseball.org) and understand the All-Star selection process.
